**1. NATURE OF THE ORGANIZATION**

The City of Airdrie Library Board (the "Library") was established through a bylaw of the City of Airdrie and is constituted under The Libraries Act (2000) of The Province of Alberta (the "Province"). The Library, as a registered charity, is exempt from income tax and may issue receipts to donors for tax-deductible donations.

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

These financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards ("PSAS"), including accounting standards that apply to government not-for-profit organizations, (the 4200 series) and in management's opinion, have been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

**Financial statement presentation**

The Library follows the PSAS Section 1201 "Financial Statement Presentation", which includes a statement of re-measurement gains and losses. This statement reports amounts reclassified to the statement of operations upon de-recognition or settlement and other comprehensive income reported when an entity includes the result of its government business enterprises and government business partnerships in the summary of financial statements. There were no amounts to report on the statement of re-measurement gains and losses, and as a result this statement has not been included.

**Fund balances**

The Operating Fund reports the Library's operating activities. The Capital Fund reports the assets, liabilities, revenue and expenses related to the funding of capital acquisitions.

**Revenue recognition**

The Library follows the restricted fund method of accounting for contributions.

Restricted contributions related to capital are reported as revenue of the Capital Fund when received or receivable. Other restricted contributions related to general operations are reported as revenue of the Operating Fund in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue in the Operating Fund when the amount received or receivable can be reasonably estimated and collection is reasonably assured.

Interest is recognized as revenue when earned. Fines, other revenue, donations, fund development, photocopy and book sales revenue is recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

**Donated materials and services**

Donated materials and services are not given accounting recognition in these financial statements when fair market value is not easily determined and the goods would not have been otherwise purchased. The Library has numerous volunteers who contribute many hours each year. Contributed volunteer services are not recognized in the financial statements because of the difficulty in determining their value.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (.../Continued)**

**Use of estimates**

The preparation of financial statements in accordance with PSAS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the reporting date and the reported amounts of revenues and expenses for the reporting period. Actual results could differ from these estimates.

Estimates are used primarily in the determination of the estimated useful lives of capital assets, the amount required to retire tangible capital assets and the collectability of accounts receivable. The provisions against accounts receivable balances are primarily assessed on historical collectability of the accounts with specific provisions for large outstanding balances deemed potentially uncollectible.

**Cash**

Cash consists of cash in bank and cash on hand.

**Portfolio investments**

Portfolio investments are recorded at amortized cost. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

**Capital assets**

Capital assets are stated at cost less accumulated amortization, which includes all amounts that are directly attributable to the acquisition, construction, development and betterment of the asset. Amortization is provided for on a straight-line basis at the following rates:

Leasehold improvements	20 years
Furniture and fixtures	10 years
Vehicles	10 years
Computer equipment	3 years

Amortization is charged daily from the date of purchase to the date of disposal.

Capital assets received as contributions are recorded at their fair value at the date of receipt and are recorded as revenue of the Capital Fund.

The Library reviews long-lived assets for impairment whenever events or changes in circumstance indicate that the asset no longer has long-term service potential to the Library. When the carrying amount exceeds the fair value of the capital asset, an impairment loss is recognized in an amount equal to the excess. Such impairments are not reversed.

Materials, program, and Marigold service fees expenses include the costs of books and other materials held by the Library. These amounts are not capitalized and are expensed in the period in which the cost is incurred.

**Financial instruments**

Financial assets and liabilities are recognized when the Library becomes a party to a financial instrument contract. Unrealized gains and losses from changes in the fair value of the financial assets and liabilities are recognized in the statement of re-measurement gains and losses. The Library's financial instruments are not recorded at fair value, and as a result, the statement of re-measurement gains and losses has not been included.

All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.

For financial assets and liabilities measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense. Transaction costs are a component of cost for financial instruments measured using cost or amortized cost. Transaction costs are expensed for financial instruments measured at fair value.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (.../Continued)**

**Financial instruments (.../Continued)**

The Library's financial assets and liabilities are all measured at cost or amortized cost and consist of cash, accounts receivable, portfolio investments, accounts payable and accrued liabilities, due to Airdrie Mainstreet Square and due to the City of Airdrie.

The Library is not exposed to significant credit, liquidity, or currency risks.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Library's interest rate exposure relates to the possibility that changes in interest rates will affect the value of fixed income investments held by the Library.

The Library minimizes these risks by investing in a portfolio comprised of high quality fixed income products that have typically demonstrated a low degree of risk or loss of principal value.

**Asset retirement obligations**

Asset retirement obligations are legal obligations associated with the retirement of tangible capital assets. A liability for an asset retirement obligation is recognized when, as at the financial reporting date:

- (i) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (ii) the past transaction or event giving rise to the liability has occurred;
- (iii) it is expected that future economic benefits will be given up; and
- (iv) a reasonable estimate of the amount can be made.

Asset retirement obligations are initially measured as of the date the legal obligation was incurred, based on management's best estimate of the amount required to retire tangible capital assets.

When a liability for asset retirement obligation is recognized, asset retirement costs related to recognized tangible capital assets in productive use are capitalized by increasing the carrying amount of the related asset and are amortized over the estimated useful life of the underlying tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets and those not in productive use are expensed. Revisions in estimates are recognized as a change to both the liability and related tangible capital asset in the Statement of Financial Position.

**Changes in accounting policy**

Effective January 1, 2022, the Library adopted the new accounting standard PS 3280 Asset Retirement Obligations and applied the standard using the modified retroactive approach with restatement of prior year comparative information.

Amounts are measured using information and assumptions where applicable, that are current on the effective date of the standard. The amount recognized as an asset retirement cost is measured as of the date the asset retirement obligation was incurred. Accumulated amortization is measured for the period from the date the liability would have been recognized had the provisions of this standard been in effect to the date as of which this standard is first applied.

On the effective date, it was determined that the Library did not have Asset Retirement Obligations to recognize nor did they have any Asset Retirement Obligations for the year ended December 31, 2023.

**3. FUTURE ACCOUNTING POLICIES**

**PSAB Section 3400, Revenue**

This section is effective for fiscal years beginning on or after April 1, 2023 and provides greater clarity on the difference between exchange and non-exchange transactions.

**PSAB Section PSG-8, Purchased Intangibles**

This section is effective for fiscal years beginning on or after April 1, 2023 and provides guidance on how to account for non-monetary economic resources without physical substance acquired through an arm's length exchange transactions between knowledgeable, willing parties who are under no compulsion to act.

**PSAB Section 3160, Public Private Partnerships**

This section is effective for fiscal years beginning on or after April 1, 2023 and establishes an accounting standard for the recognition, measurement, presentation, and disclosure of infrastructure procured through certain types of public private partnership arrangements.

Management is currently in the process of assessing the impact of the adoption of these standards.

**4. CASH**

Included in cash is an externally restricted amount of \$93,426 (2022: \$11,325) which has been donated to the Library for the purchase of materials related to facility expansion. This amount is presented as a current asset at December 31, 2023 as it is expected to be used in 2024.

**5. PORTFOLIO INVESTMENTS**

The composition of portfolio investments is as follows:

	2023		2022	
	Cost	Market Value	Cost	Market Value
Portfolio investments:				
Bonds				
Canadian government and corporate	\$ 1,132,817	\$ 1,098,815	\$ 908,492	\$ 843,681

**7. RELATED PARTY TRANSACTIONS AND BALANCES**

**Grants**

During 2023, the City of Airdrie provided \$2,272,300 (2022: \$2,146,990) in funding to partially cover operating and capital costs of the Library. In addition, grants in-kind of \$60,000 (2022: \$60,000) were recognized for professional services provided to the Library. Seventy percent of the Library's operating revenue is received from the City of Airdrie (2022: seventy-three percent).

**Due to the City of Airdrie**

The balance due to the City of Airdrie of \$48,182 (2022: \$71,919) is non-interest bearing, repayable on demand and unsecured.

**Airdrie Mainstreet Square Real Estate Inc.**

Both the Library and Airdrie Mainstreet Square Real Estate Inc. ("Mainstreet Square") are controlled by the City of Airdrie and are therefore related parties.

Transactions between the Library and Mainstreet Square are measured and recorded at agreed upon values.

The following summarizes the Library's related party transactions with Mainstreet Square which are included in expense amounts in the statement of operations:

	<u>2023</u>	<u>2022</u>
Payment to Mainstreet Square for the Library's share of common costs	\$ 107,981	\$ 96,116
Rent paid to Mainstreet Square	166,104	166,104
Balance due to Mainstreet Square	5,038	-
Balance due from Mainstreet Square	-	6,321

**Commitments**

The Library signed a two year lease in 2023 with Mainstreet Square. Rent is payable on a rate per square foot plus a proportionate share of common costs of the complex. Known rent commitments for the remainder of the lease are as follows:

2024	\$ 166,104
2025	\$ 110,736

---

**8. INTERNALLY RESTRICTED FUND BALANCES**

**Interfund transfers**

During the year, the Board of Directors (the "Board") approved transfers from the operating unrestricted and capital internally restricted funds of \$65,708 (2022: \$42,875) and \$nil (2022: \$1,558), respectively, to fund the purchase of capital assets. Additionally, the Board approved a transfer of \$18,258 (2022: \$59,170) from the operating unrestricted fund with 50% being transferred to each of the operating internally restricted and capital internally restricted funds. This results in a total of \$74,837 (2022: \$72,640) transfer from the operating fund to the capital fund. During the year, the Board also approved a transfer of \$59,936 (2022: \$161,789) from the operating internally restricted fund to the unrestricted fund to cover operating expenses.

**9. LOCAL AUTHORITIES PENSION PLAN**

Employees of the Library are eligible for the Local Authorities Pension Plan (LAPP), which is covered by the Public Sector Pensions Plan Act. LAPP serves 291,259 members and 437 employers. It is financed by employer and employee contributions and investment earnings of the LAPP fund.

Contributions for current service are recorded as expenditures in the year in which they become due.

The Library is required to make current service contributions to LAPP of 7.45% of pensionable earnings up to the Canada Pension Plan Year's Maximum Pensionable Earnings and 11.80% on pensionable earnings above this amount.

Total current and past service contributions by the Library to LAPP in 2023 were \$95,782 (2022: \$97,618). Total current and past service contributions by the employees of the Library to LAPP in 2023 were \$85,272 (2022: \$87,129).

At December 31, 2022, which is the most recent actuarial assessment, LAPP disclosed an actuarial surplus of \$12.67 billion (2021: \$11.92 billion).

**10. APEX SUPPLEMENTARY PENSION PLAN**

The APEX supplementary pension plan, an Alberta Urban Municipality Association (AUMA) sponsored defined benefit pension plan covered under the provisions of the Alberta Employment Pension Plans Act, commenced on January 1, 2003 and provides supplementary pension benefits to a prescribed class of employees. The plan supplements the LAPP.

Contributions are made by the prescribed class of employees and the Library. Employees and the Library are required to make current service contributions to APEX of 2.42% and 2.96% respectively of individual pensionable earnings up to \$175,333 (2022: \$171,000).

Total current service contributions by the Library to APEX in 2023 were \$17,509 (2022: \$22,467). Total current service contributions by the employees of the Library to APEX in 2023 were \$14,315 (2022: \$15,231).

The cost of post-retirement benefits earned by employees is actuarially determined using the projected benefit method prorated on service and management's best estimate of salary and benefit escalation and retirement age of employees. The costs of post-retirement benefits are fully funded.
